

# COVID-19 PROCEDURES

At this time, we are NOT requiring face masks be worn. If you would like us to wear a mask, please let us know when making your appointment.

If you can answer “yes” to any of the following questions, please call our office to reschedule your pet’s appointment:

- Have you or anyone in your household had any of the following symptoms in the last 10 days: sore throat, cough, chills, body aches, shortness of breath, loss of smell, loss of taste, fever of or greater than 101?
- Have you or anyone in your household tested positive for COVID-19?
- Have you or anyone in your household received treatment in a hospital, nursing home, long-term care, or other health care facility in the past 14 days?
- Have you or anyone in your household traveled outside of Maine in the past 14 days?
- Have you or anyone in your household traveled on a cruise ship in the last 14 days?
- Have you or anyone in your household cared for an individual who is in quarantine, is a presumptive positive, or has tested positive for COVID-19?
- Do you have any reason to believe you or anyone in your household has been exposed to or acquired COVID-19?
- To the best of your knowledge have you been in close proximity to any individual who tested positive for COVID-19?

Thank you for your help so we can do our part to keep everyone safe and healthy!

Sincerely,

Bonnie Brae Veterinary, PLLC
